Said to Be Preparing to Fight  
the United States.

## JAPAN ENTERS A PROTEST.

A Picky Peddler Kills Two  
Highwaymen.

## DESTRUCTIVE TORNADOES EVERYWHERE.

Washington, June 19.—Dispatches from Madrid indicate that the Spanish government is preparing for war with the United States. It is there believed certain the United States is preparing to annex the island and there is an exceedingly strong feeling in government circles.

The advanced position this government has taken of late has greatly agitated all parties and there is no likelihood the United States will in the least recede from her position. The situation appears to be exceedingly grave.

The President's instructions to Minister Woodford are to make overtures at once for the independence of annexation of Cuba. He means business and not foolishness.

Dr. James' appointment was sent to the Senate today.

## JAPAN PROTESTS

## In Vigorous Terms Against the Hawaiian Treaty.

Washington, June 19.—Japan, through her minister resident, this morning filed a vigorous protest against the annexation of Hawaii by this government. She claims that the status of her people with reference to immigration will be changed to her disadvantage thereby.

## TWO HIGHWAYMEN KILLED.

A Peddler Held Up By Negroes  
Slays Two of Them.

Newport, Tenn., June 19.—Jesse Bartree, peddler, was last night held up by negroes who demanded his money. They caught a Tartar, however. Bartree instead of pulling his money drew his revolver and shot two of the would-be robbers dead on the spot. The others fled and have not been captured.

## A QUADRUPEL EXECUTION.

Four Murders Will Pay the Penalty of Their Crimes.

Fayetteville, W. Va., June 19.—Four members of the notorious Lewis gang of murderers will be executed here next Friday. They have been under sentence for some months and every means known has been resorted to to save their necks, but without effect.

## THE TORNADO.

Three Kansas Villages Wiped Out  
—Houses Laid to the Ground.

Larned, Kan., June 19.—The tornado of last night was a severe one in this section. Three villages were entirely wiped out with loss of life and injury to a large number. Crops suffered great damage and a large amount of stock was killed.

Lincoln, Ill., June 19.—A tornado which passed over the central and southern portions of Logan county yesterday afternoon destroyed thousands of dollars' worth of property and completely demolished the big cow barn on the farm of the State Institution for the Feeble-Minded. Twenty-six persons seeking refuge from the storm were buried in the debris. Four of the refugees, boys from Chicago, were taken out dead. Five others were severely injured, one of whom, the farm superintendent, will probably die. The dead are:

SEVEREST BAKER.  
JAMES O'BRIEN.  
NEAL MCNEIL.  
CASTLE LE BARRON, all pupils of the institution.

## THE INJURED.

JACOB WHEAT, farm superintendent, will probably die.

HENRY BORDEN.

WM. FISHER, pupils, severely injured and cut; will probably recover.

LEWIS GLEASON, attends ill; serious internal injuries, may die.

At 3:45 o'clock this afternoon a tornado was seen approaching the city from the southwest. The State Institution for the Feeble-Minded, containing over 700 inmates, seemed to be directly in the path of the storm, and stringent measures were quickly taken to prevent a panic.

The roofs of several of the buildings were carried away and much damage was done about the grounds, but the 700 inmates were under perfect control of the attendants and the threatened panic and great loss of life was averted.

Paris, June 19.—A very heavy rain over the suburbs of Paris is now falling, near the city, yesterday afternoon.

## GORY GRAVES.

Another Killing At Mayfield  
Last Night.

## A FATHER'S AWFUL REVENGE

Almost Tore the Head From His  
Daughter's Alleged Betrayer  
With Buckshot.

## JACK JOHNSON KILLED BY J. M. KIRKLAND.

The sequel to last Sunday's abduction of J. M. Kirkland's 13-year-old daughter by Jack Johnson and Ben Haney resulted in a killing last night near the water works at Mayfield, Johnson being instantly killed by Kirkland.

About 3 o'clock Monday Johnson and Haney went to Kirkland's house and forcibly carried away the girl. She is only 13 years of age, and it is alleged, was taken away for unlawful purposes.

Warrants were issued against the men, and Haney was arrested, and confessed to being an accessory, but would divulge nothing relative to the whereabouts of Johnson and the girl. He is still in jail.

Old man Kirkland was yesterday informed that Johnson was on his way back with the girl, and concealed himself in the woods near the house and when the buggy stopped and the girl was put out, Johnson was fired at from the rear. Kirkland had an old musket heavily charged with buckshot, which tore into Johnson's head, neck and shoulders, killing him instantly. The horse, frightened by the report, ran away and Johnson was found some distance away.

Kirkland gave himself up and was lodged in jail. There is not much excitement owing to the character of the principals. Both are tough, and kept, or formerly kept, dives near Mayfield. It is not known whether Johnson ever married the girl or not.

## HONEYMOON IN JAIL.

Eli Smith Captured in Illinois  
and Carried to Mayfield.

His Bride, Whom He Married at  
Metropolis, Went With Him.

Marshall McNutt, of Mayfield, who passed through here Wednesday en route to Burnside, Ill., after Eli Smith, landed his man. The Mayfield "Mirror" says that Smith is now spending his half his honeymoon in jail here. It happened this way: He was indicted a while back on a charge of stealing some little article from H. Cox's store. He gave bond for appearance with his uncle as surety. He did not appear for trial, and his uncle offered \$50 for his capture. Last Sunday he eloped with a Miss Killgore, of Callaway, going to Metropolis to get married. Chief McNutt located him at Burnside, Ill., and brought him here yesterday. The unfortunate bride came on also, and took rooms at the home of the chief of police. Smith is son of Casper Smith, of Marshall county, and is wanted also in Callaway and Marshall to answer for transgressions of the law.

## SEQUEL OF THE FLOOD.

Woman and Son En route to  
Evansville.

They Came From Mississippi, and  
Applied Here For Help.

Mrs. William Gilbert is the name of this woman, accompanied by her son, seeking assistance to reach her people in Evansville. They stopped at the city hall.

She said that a few years ago she and her husband left Indiana, crossed Kentucky in a wagon, and went to Mississippi, Tallahatchie county. They settled on a claim and began building a home, but a year ago her husband died, leaving her dependent on herself and son for support. The recent flood drove them from their home and they are journeying toward the Hoosier State to be taken care of by relatives.

Mayor Yeiser furnished the woman and her son transportation to Princeton.

## THE LOST IS FOUND.

Louisville Drummer Turns Up in  
Paducah.

"Dixie" Wilson Is Just Having a  
Good Time.

"Dixie" Wilson, the Louisville whiskey drummer whose disappearance from his home in Hopkinsville is a matter of much comment there, is in Paducah, and it is alleged has been on a little tour here for a week or two.

Water Collectors: A good line of water coolers very cheap at M. E. Jones', corner Court and Second streets.

in a house in the north end, as soon as he read the article in the Sun, and found him this morning in a Trimble street saloon.

Wilson seems to be having such a good time that he forgot all about his family in Hopkinsville. The Hopkinsville papers are much wrought up over his disappearance and it has been telegraphed all over the state.

## MOSTLY CONTINUED

Were the Cases Before Judge  
Sanders To-Day.

The Case Against "Bills" Owen  
Was Continued—Ditto Henry  
Blue's.

Henry Blue, charged with stealing Councilman Chris Liebel's horse, was presented in Judge Sanders' court this morning, but the case being undecided for trial, it was continued until Monday.

Jerry Thomas and Herman Jackson were fined \$1 and costs each for drunkenness.

The case against Perry Owens, alias "Bills," charged with maliciously assaulting Chas. White, colored, was continued until Monday. The boy is better and will probably recover.

Owen, who lives on South Seventh street, claims that he struck White because the latter called him a son of a b—.

White lives on Norton near Fifth, and both boys are about 18 years old.

## I. C. NOTES.

Civil engineers representing the Illinois Central Railway Company, are said to be at the work of surveying for a branch line of the road to run from Paducah three miles above Villa Bridge to the river at East Cape Girardeau. The survey being made is the first preliminary survey for the information of the general officials of the road, says the Cairo "Argus."

A bulletin was filed today at conductors' headquarters instructing all conductors to see that express messengers are properly uniformed.

Sup't. W. J. Harahan left this morning for Louisville, accompanied as far as Central City by Trainmaster J. J. Flynn.

Mr. M. Chandler, who has been in the Illinois Central freight department for the past few weeks, has become one of the most popular of the young employees.

Little damage is reported to railroad property as a result of last night's storm.

## ACCIDENTS.

Mr. Will Conner Painfully But  
Not Seriously Burned.

A Bottle Explosion Wounds Will  
Mix—Boy Breaks His Leg.

Mr. Will Conners, one of the property men at the Casino theatre, was painfully burned last night during the fire scene in "Lady Audley's Secret."

His position was under the stage, and in some manner a box filled with sawdust and powder was prematurely exploded, throwing the fire over his face, hands neck and arms.

He was taken in charge by Mr. Charlesmeyer, who is a guest of Manager Foppe and driven to the Halmer House in a carriage. His injuries being dressed by Dr. Enbanks. The audience knew nothing about the accident.

He rested easy all night and this morning he announced that he will be able to be out in a few days. This eyesight is not at all impaired, which is very fortunate indeed and somewhat remarkable.

Will Mix, an employee at the Budde bottling works, was painfully cut on the left wrist yesterday by the explosion of a pop bottle. Dr. Boyd dressed the injury, nine stitches being required to close the wound.

Carl Sears, the 15-year-old son of Mr. Ben F. Sears, of the Clark's river section, was hurled from a scaffold yesterday and fell nine feet, both bones in his left leg being broken. Dr. Tronman dressed the injury.

Mr. Harry Augustus, eldest son of Assistant Fire Chief Billy Augustus, is suffering from injuries sustained Thursday at Kilgore's factory by falling from a "run," over which he was wheeling a load of cuttings. His injuries, however, are not serious.

Mr. Will Wright, of the Casino Stock Company, had a narrow escape at the theatre last night during the fire scene. Some of the burning lumber fell from above, and although it struck near him, he escaped without injury.

Mr. Dick Clark, the well known Second street merchant, is suffering from a very sore right eye. A few nights ago something hit him while asleep, and it is now entirely closed, and greatly swollen.

"Uncle" Thad Jacobs, who lives near the city, had a narrow escape from death last night. He was sitting on an upstairs porch, and attempted to get up and go in out of the storm.

Owing to his feeble condition he missed his footing and would have fallen headlong three feet and no doubt had his neck broken had he not swung to a post. The skin was torn from his arm by the contact with the post.

Manager Rogers has released all the old Nashville team and signed new players, only a few of the old team being retained.

Chilflog, of Evansville, has been signed as umpire to succeed Woods.

The father of the Penobscot tribe, and a well known Maine guide, after going to Holy Cross College, young Sockalexis played in Maine in a way to attract general attention.

Davis, of the New York team, has more tender joints than some persons have dollars. He has had every knuckle and every bone on his hand thumped so hard this season that it is painful for him both to bat and to field.

One day last week Lew Whistler, of Detroit, earned 200 cigars and two shirts from President Vanderbeck by making a home run. It was a game which netted Vanderbeck quite a nest sum on a wager with Killey, of Milwaukee.

The Cleveland team has been handicapped this season by having practically no spring practice, as they took their early work at Cleveland, where the weather is cold and wet in spring, and the men cannot get in shape for a season's hard work.

Ex-Manager Rogers, of Louisville, has signed a Pittsburgh contract. He will take Donnelly's place at third. Donovan got tired of Donnelly, who concluded he would rather lish than play baseball. Rogers will get \$2000 from the Pittsburgh club. He got \$2500 from Louisville. Jimmy's friends are glad that he has caught on and feel sure that with the care of a manager, game, he will be able to support himself with credit.

From what is considered a reliable source it was learned that there is a deal pending between the Pittsburgh and Louisville clubs by which Short Stop Ely, of Pittsburgh, will be given to Louisville.

Mr. Dreyfus, of Louisville, is after Dowling. He has offered the Paducah Baseball Association \$500 for him, and the Paducah Baseball Association has agreed to accept \$500 for him, but Mr. Dreyfus has declined to pay it. In a letter written after he was informed on what terms the local directors would sell, Mr. Dreyfus says that the latter are on the "fair-ship."

He said they could buy two of Louisville's pitchers for less than \$500, and indicated that after July 4th he could get Dowling without paying anything for him.

AMUSEMENTS.

Nothing closing to mar the enjoy-  
ment of the closing exercises of St.  
Mary's Academy at Morton's opera  
house last night, except the thunder  
storm which frightened many into  
leaving before the entertainment was  
over.

The younger children sang the  
opening chorus, followed by "Come  
Where the Lillies Bloom" by the  
older ones. Both were exceedingly  
pretty.

After an instrumental duet by  
Misses E. Nance and R. Bernhard,  
a pleasing feature was given in music  
and a drill by the juvenile orchestra.  
The leaders were Harold Fisher, I.  
Fisher, M. and Louise Detzel, L.  
Corby, R. Donovan, L. Bergholl and  
L. Kopp.

"The Faubus," a pantomime by  
eight young ladies arrayed in pink,  
was very excellent. Those particu-  
larly were Misses Bella Mohan, Allie  
Fisher, Nellie Paxton, Katie Hlaag,  
Lucy Hencke, Ella Hill, Ella Nance  
and M. Mattingly.

Selections, well rendered and ap-  
preciated, were given by the Misses  
Tully on mandolin and guitar.

The younger boys made a decided  
hit in drill and chorus, supplemented  
by a whistling chorus which brought  
down the house.

Miss Nellie Paxton, who is an ac-  
complished musician, executed an in-  
strumental solo that was enjoyed by  
all.

Misses E. Nance, E. Hill, N. Bern-  
hard and M. Artz were four young  
ladies who unfolded "Leaves From  
an American History."

In the Gems of History, Miss  
Lucy Hencke wielded her magic wand  
and calls forth: Miss Ella Hill, as  
Columbia; J. K. Kopyne, Columbus; Maud  
Farley, Pocahontas; W. Lydon,  
Continental soldier; Miss Nellie Pax-  
ton, Mrs. Murray; Miss Roselle Far-  
ley, Mrs. Washington; F. Judge,  
soldier of 1812; Miss Nora Kelly,  
Nimera; R. Donovan, Boy in Blue;  
E. Warren, Roy in Gray; C. War-  
ren, Evangeline.

"The Minnie Housemaids" gave a  
drill and song, which was very  
pleasing. They were dressed in caps,  
aprons and kerchiefs and carried  
brooms.

Miss N. Bernhard executed an in-  
strumental solo, followed by the  
Misses Paxton in a piano duet.  
The Mandolin and Guitar Club,  
after playing a melody of Southern  
airs, had to respond to an encore.

"Many Sailors" was given by class  
in costume, and was most creditable.

Mr. William Hoffman rendered the  
First Te Deum, and the closing of the  
entertainment was marked by one of  
the most creditable and enjoyable  
features, the essay of Miss Bella Mo-  
han, the only graduate of St. Mary's  
Academy for '97. The essay was  
entitled "Hobbies" and evidenced  
the brightness and refinement of the  
young lady. The literary efforts be-  
ing conferred, the program closed.

The popularity of "Lady Audley's  
Secret," at the Casino, under the  
management of Mr. H. J. Foipe, is  
phenomenal, and last night  
there was another very large au-  
dience. Every night this week  
the house has been crowded, and  
every thing passed off smoothly until  
last night, when the accident to one  
of the property men, told elsewhere,  
occurred. This was unavoidable,  
however, and the audience knew  
nothing about it. Monday "David  
Garrett" with Mr. Charlesmagne  
Kocheljan in the title role, will be played,  
and the house will be packed. El-  
egant costumes have been received  
from St. Louis for the production,  
and it will be equal to if not better  
than the production of it here a few  
years ago by Mr. Lawrence Hanley.

"A White Mountain Boy," a New  
England melodrama in five acts, will  
begin a three days run at La Belle  
park theatre Monday night.

"Kathleen Marouneen" was pre-  
sented for the second time last night,  
and was witnessed by a good audience.  
Majority of the people who attended  
the performance reached home before  
the storm, but some residing in the  
more remote regions were caught in  
the rain.

The lake and about the lake at La  
Belle Park are among the principal  
attractions, and hundreds of people  
go down every day and night. Ten  
new bath houses have been erected  
along the edge of the lake, and will

should so many desire to use one.  
The chute is perfectly safe, and there  
has never been the slightest accident.

MAN OVERBOARD.  
A Government Carpenter Is  
Drowned Below Cairo.  
While the United States light house  
tender, Joseph Henry, was at the  
government light above town, near  
the mouth of Town creek, on  
Tuesday night, one of the carpenters,  
whose name we are informed is Hen-  
rington, went on top of the wheel-  
house for some purpose, fell over-  
board and was drowned, says the  
"Columbian Enterprise." The Jo-  
seph Henry dropped back to that  
place to send a dispatch. A reward  
of \$25 is offered by the officers of  
the Joseph Henry for the recovery of  
the body. We are advised that the  
unfortunate man resided at Memphis.

Rubber Hose.—A good line of  
warranted hose as cheap as the cheap-
